**Terry Boerman:** Pray for Terry as he had another round of chemo treatments this past week and as he has a scan scheduled for this coming week. We pray that his treatments would continue to be effective and that the scan shows that his cancer is stable.

**Gary DeHaan:** Please remember Gary in your prayers as he is in constant pain in his back and leg. Pray also that his strength would return soon.

**Mark & Sharon DuBois & Family:** Continue to be in prayer for the DuBois family as Sharon's tests revealed that her cancer has returned and spread to multiple spots in her body. Her port was able to get placed this past Wednesday. Pray that further tests would give clarity to the doctors as to how to move forward and that her chemo treatments would be able to begin soon.

**Tim Meekhof:** Pray for Tim as he went in this past week for another round of shots in his neck. We pray that Tim would find some relief from the pain.

**Kristen Sterk:** We give thanks that Kristin was able to receive her 3rd round of consolidation treatment last week and is home again. We pray that her side effects would be minimal and that the treatments would be effective.
