FOCUS ON MISSIONS

Jubilee Centers International (David & Emily Romero) is an organization compelled by Christ's love for the poor to 'preach the year of the Lord's favor' (Luke 4:19) through community outreach involving formal Christian Education through holistic community development. The Romeros work in Tegucigalpa, Honduras. For more information, check the website at www.jubileehm.org.

Request received from Jubilee Centers International:

These past few years we have been working hard at developing and growing our After School Music Program. **We are currently in need of gently used musical instruments (of any kind) that folks may have stored away or are simply not using.** These would be much appreciated gifts to our school and the music program. Learning an instrument opens many doors for our students who live in the impoverished neighborhood of La Era. If you are willing to make a donation of this kind, please contact:
