PRAYER CORNER

The 24 Hour Prayer Line Numbers:

Local: 879.0057 & Toll Free: 1.800.401.6640

Gary DeHaan: Please keep Gary in your prayers as he had a pacemaker installed this past Monday. We pray that this resolves the heart related issues.

Jerry Redder: Please remember Jerry in your prayers as he fell on the ice yesterday morning. He was treated at Zeeland Hospital and transferred to Butterworth with a broken collar bone, cracked vertebrae, several cracked ribs, and a scratched lung.

Pray for relief of pain and a complete healing.

Kristin Sterk: Please keep Kristin in your prayers as she has finished her last scheduled round of chemotherapy. We are thankful to God that the chemo seems to have been effective, and that her white blood cell count have come back to a safe level after a week of multiple blood transfusions. Pray that as doctors begin to revisit her advanced heart failure issues, they would be able to find the best treatment options.

Rog & Linda VanDyke: Please continue to uphold Rog & Linda in your prayers. Rog experienced a fall from a loft in his barn and suffered a fractured skull, concussion, and 11 broken ribs. We pray for patience and complete healing of his body. Rog & Linda have been regular worshippers with us.

Luke Worley (9 year old son of Dee Worley): We continue to pray for Luke and are thankful he is home following complications during his recent MRI. We pray that the antibiotics would relieve the infection on the bone in his inner left ear.

Jennie VanderWoude would like to say "Thank You for remembering me with so many beautiful cards at Christmas and other times. I really enjoy them. In December, after my fall, I was moved from independent living at Raybrook Manor to a total nursing care unit with therapy. It's been a long, painful process, but my doctor says my leg is showing some improvement. Please continue to remember me in your prayers."
