Terry Boerman met with his doctor this past week to review the results of his most recent PET Scan. He received a favorable report, which will result in a change of treatment from chemo infusion to pills. These pills are targeted to block a protein that causes cancer cells to grow and multiply as indicated by a specific gene that was found in the blood test.

John & Jan Klompmaker are going on a lengthy trip and we pray that they may be a blessing to those they encounter. We pray for a safe trip and return.

Judy Mokma underwent surgery this past Friday to repair bones near her left eye following a fall. We are thankful that the surgery was successful, although it was more extensive than first thought. The doctor was able to place a plate and screws to hold the muscle to the orbital bones. Please continue to pray that her recovery will go well and that her double vision will resolve over time and not require further surgery.

Meredith Sal had a procedure done this past Tuesday to learn more about the mass on her esophagus. Several spots were found and treated, but are likely not cancerous, and her doctors do not think they are any cause for concern. We praise God for this great news!

Elaine Venema had a biopsy done a week ago. We pray for patience as she awaits those results.

Chaplain Cal Alderink, serving *'Reach the Forgotten'* at the Ottawa County Jail, passed away Wednesday evening, June 5, from a massive heart attack. Please remember his wife Laurie, their family, and the ministry in your prayers.

Continue to pray for those battling cancer:

FOCUS ON MISSIONS

Ovi & Jessica Dumea serve through Wycliffe in sign language Bible translation, helping to translate The Bible into the native tongue of deaf people groups all around the world. They love to see how having God's Word in their own language helps the Deaf know God better and even for the first time. More information is available at <https://www.wycliffe.org/partner/98DE8B>.

EIGHT GRADE GRADUATES

Congratulations to our 8th Grade Graduates!

Rebecca Boerman (daughter of Keith & Kristi) graduated from Zeeland Christian and will be going to Holland Christian High School in the fall. In 8th grade, Rebecca enjoyed hanging out with her friends and extracurricular activities like soccer, the musical, and Girls' Chorus. This summer she is looking forward to going camping, boating, and the Alaska Mission Trip. She will work some days at Integrity Landscape.

Addison Boersema (daughter of Dustin & Emillie) is home schooled and will continue homeschooling for high school. She did a few high school classes already this year. Addison is looking forward to several camping trips this summer.

Derek Bostrom (son of Martin & Heidi) graduated from Zeeland Christian and will be going to Holland Christian High School in the fall. This summer Derek plans to continue with piano, organ, and trumpet lessons, as well as training for the cross country season this fall.

Thijs DuBois (son of Mark) graduated from Zeeland Christian and will be going to Holland Christian High School in the fall. Thijs enjoyed playing on the boys' volleyball team at ZCS. This summer he is looking forward to going to Alaska with the Youth Group and to going to the family cottage in the UP.

Adrie Koetje (daughter of Pastor Dirk & Erin) graduated from Borculo Christian School and will be going to Unity Christian High School in the fall. Her favorite part of her 8th grade year was going to Kentucky on their 8th grade class trip and hanging out with her classmates. Adrie's summer will be spent babysitting, preparing for the fair, and training for sports. She is also really excited for the Mission Trip to Alaska with the Youth Group.

Auggie Schutt (son of Tim & Amy) graduated from Zeeland Christian and will be going to Unity Christian High School. While at ZCS, he played soccer and baseball and hopes to play soccer and golf in high school. This summer you will find Auggie mowing lawns at Gun Lake, golfing, and probably getting some time on the water, whether wakeboarding, skiing, or tubing.

Elizabeth Venema (daughter of Nick & Elaine) graduated from Zeeland Christian and will be going to Holland Christian High School in the fall. She enjoyed being a mermaid in the ZCS 7ths/8ths grade musical, *'The Little Mermaid'*; and also enjoyed playing on the ZCS/HCMS girls tennis team. This summer Elizabeth plans on going on two camping trips with family.

Sarabiah Worley (daughter of Dee) graduated from Zeeland Cityside and will be going to Zeeland East High School. While in Middle School, she played Unified soccer, was on the crew for 'Matilda Jr.' and enjoyed her trip with ZLinks to Mackinaw Island. This summer Sarabiah is doing career camp at the Tech Center, going to Alaska with the Youth Group, mowing a few lawns every week to earn money, and spending time with her cousins and friends.
