**Randy Boeve's** remains in the hospital undergoing intense treatment, still with the hopes of receiving a bone marrow transplant. We continue to pray for his care team as they seek the best source of treatment for him. Please keep Randy & Sue in your prayers as he continues to face this ongoing battle.

**Cheryl Kroll** remains at Holland Hospital as she continues to deal with infection and pressure sores. Please pray for her to be encouraged and for the medical staff to receive wisdom to properly take care of her.

**Judy Mokma** is still experiencing double vision after a recent fall. We give thanks for the healing she has experienced following her surgery to repair her eye socket and pray that her full eyesight will be restored soon.

**Meredith Sal** met with a surgeon this past Monday to discuss the additional spots that were recently found on her esophagus. We pray, Lord willing, that no surgery is needed, and that no cancer is found.

**Kristin Sterk** is grateful that her testing continues to come back with good results following her bone marrow transplant. We praise the Lord for the restoration of health she has received and pray for the upcoming tests - that they may show her body doesn't have long term effects from her chemotherapy.

Continue to pray for those battling cancer:
