The 24 Hour Prayer Line Numbers:  
Local: 879.0057 & Toll Free: 1.800.401.6640

**Randy Boeve** met with Doctors in Ann Arbor this past Wednesday for a second opinion and it was recommended that he continue with his current team on his current treatment plan of chemo, pills, and waiting. We pray that, Lord willing, despite his gene mutation, his cancer will go into remission.

**Dolores Bouwkamp** has returned home following her hospital stay but is still struggling with pain management and difficulty walking. We continue to pray for her to regain her strength, for full healing of her legs, and for her children as they care for her.

**Betty Kroll** is awaiting a PET Scan and biopsy. Please pray for good results and God's peace to be upon her.

**Anna Meppelink's** daughter, **Bonnie**, underwent a biopsy this past week. We pray that this would provide clear guidance for further treatment.

**Max & Kris Michmerhuizen's** grandson has been dealing with Lyme Disease for the last 10 years and we praise God with them for the miraculous healing he has recently received that has allowed him to be active.

**Sarah Miedema** will be undergoing surgery for a double mastectomy on Wednesday, September 11. We pray for this surgery to happen as planned, for the cancer to not spread while awaiting surgery, and for her recovery to go well. Please continue to lift up **Sarah & Mitch and Trevor** in your prayers as they walk this uneasy road together.

**Carol Redder's** sister, **Betty**, was admitted to Butterworth ICU this past Wednesday for an aggressive soft tissue infection which affected her airway. She had an emergency surgery Wednesday afternoon and again on Friday afternoon to remove the infection. She remains in the ICU on a ventilator. The Doctors are optimistic that the swelling is going down, that her Blood pressure is becoming more stable, and that the antibiotics are taking effect. Please pray for her medical team and that everything will work together for her to be able to be taken off the ventilator soon.

**Elaine Venema's** meeting with doctors to determine how to treat the polyps she has, was postponed until mid-September. We pray that this appointment will take place as scheduled and for patience as she faces this setback.

Continue to pray for those battling cancer:

<b>Sarah Miedema</b>	<b>Carol Redder</b>
