FOCUS ON MISSIONS

Mike & Keli Anderson serve in Pucallpa, Peru with South America Mission. Mike makes regular trips to a local village, helping indigenous pastors develop an oral Bible story curriculum for their Bible Institute. He also has been involved in the logistics of getting the Bible Institute up and running again. Besides the indigenous aspect of his role, Mike is also the project manager for the SAM Center and SAM Academy as they remodel several of the buildings and welcome work teams from the States. Kelli holds down the fort while Mike is in the village and also helps with hosting teams from the States and coordinating different mission events. More information is available at www.southamericamission.org.

Don Slager, missionary with United Bible Society, began another trip to Liberia and returns to the USA on December 9. His update says *"I will be working with the Dan, Maan, and Manya teams, checking parts of their Bibles. I'm taking some artificial legs and eyeglasses with me. Pray all goes smoothly. I hope to write daily while there, providing the internet and power cooperate. Thanks for your prayer and financial support."*
