FOCUS ON MISSIONS

Mike & Keli Anderson serve in Pucallpa, Peru with South America Mission. Mike makes regular trips to a local village, helping indigenous pastors develop an oral Bible story curriculum for their Bible Institute. He also has been involved in the logistics of getting the Bible Institute up and running again. Besides the indigenous aspect of his role, Mike is also the project manager for the SAM Center and SAM Academy as they remodel several of the buildings and welcome work teams from the States. Kelli holds down the fort while Mike is in the village and also helps with hosting teams from the States and coordinating different mission events. More information is available at www.southamericamission.org.

Advance Notice from the Mission Team: **Doug Cupery** from **Crossroads Prison Ministries** will be coming on February 2, to give us an update. Plan to come to 'The Grove' during the Sunday School time.
