John Klompmaker will be traveling to visit and encourage American and foreign friends in places he has previously worked, returning on July 9. Your continued prayers for John are much appreciated.

Earl Mokma underwent a bone biopsy and is awaiting test results. We pray for good results.

Paul & Heather Mulder's son-in-law and daughter, Soeb & Rachel Kim, have taken a pastoral call to a new church in South Carolina. We rejoice with them and pray for them that they may end their time in Pennsylvania well, and then transition smoothly to their new church.

Ted VandenBrink moved to "The Courtland Holland" (445 - 104th Holland, Room #3) this past week. We pray that this transition will go smoothly as he continues his rehab following his stroke. He continues to have trouble talking and we pray that his speech may be restored.

James Viel's brother, Seth, needs surgery to remove a cyst and includes a lengthy recovery time. We pray that there are no complications with this procedure and that Seth will see full healing. We pray for his mom, **Jennifer**, as she cares for him.

Sarabiah Worley (daughter of Dee) spent this last week in Jamaica with the Faith Reformed Youth Group to serve at the **Caribbean Christian Center for the Deaf**. The group expected to return home yesterday, June 21.

Please join us at 11:00 AM to hear about the needs of the community and changes happening at Harvest Stand Ministries.

Crossroads Prison Ministries connects people in prisons with mentors from churches to develop Christ-centered relationships as they study God's Word together. Some of our church members are involved with this ministry. More information is available at www.cpnministries.org.

Jubilee Centers International had a representative at North Street last week Sunday. We pray for them as they continue to seek sponsors for students at their school in Honduras. We pray that God will raise up willing partners to support the education of children there. (Jubilee Centers International is a Mission cause that North Street supports with David & Emily Romero in Honduras.)
