Betty Kroll continues to battle cancer and pain. Please remember Betty & Allyn in your prayers.

Earl Mokma had a bone marrow biopsy this past Thursday which went well. We pray that the results will be favorable – showing that his chemotherapy is effectively treating his cancer. If you would like to follow along on his journey, a CaringBridge page has been set up. <https://www.caringbridge.org/site/a5c191e1-5207-11f0-8d5b-a940022a06be>

Aldajean Osher, a regular attender on Sunday nights, plans to meet with doctors at the Spine Center on Monday, July 28, for a re-evaluation. We pray that this appointment will identify the cause of the new extreme pain and that doctors are able to formulate an effective treatment plan to bring her relief.

Nick Venema’s dad, Jim Venema, underwent a heart ablation this past Thursday, July 24. We pray that this procedure will be effective in treating his on-going heart issues.

Cherrie Weener is scheduled for surgery this week Friday, August 1, to repair a hiatal hernia. We pray for her as she prepares for this surgery and that it may be successful without complications.

Continue to pray for those under Palliative or Hospice care: *Carolyn (Carrie) Redder*
