Local: 879.0057 &Toll Free: 1.800.401.6640

**Terry Boerman** underwent a scan this past Wednesday. We pray the results will be favorable and that the meds he is on will continue to be effective in keeping his cancer at bay.

**Cheryl Kroll** is scheduled for an ileal conduit procedure on Thursday, September 25. She is expected to remain at the hospital for several days following this surgery. We pray that her anxiety will be low leading up to this surgery, that surgery may go as planned, and that her recovery may be uneventful so can return home again quickly.

**Earl Mokma** began round 3 of IV chemo this past Monday and will also continue on the chemo pill for 14 days. Weekly blood work will continue and chemo adjusted if his numbers aren't recovering between treatments. His next bone marrow biopsy will be before round 6. We continue to pray that the chemo is effective in treating his leukemia.

**Aldajeane Osher** had an MRI this past Wednesday and will have a follow-up appointment with the doctor on Monday, Sept. 22. We pray that this test will help the doctor to determine what is the best treatment for her continued back pain.

**Crew Staat (11-year-old son of Jim Jr & Dana)** recently broke his arm playing football. This is the same arm he previously broke, just in a different spot, and no surgery seems to be needed. He has an appointment with a pediatric ortho to follow-up. We pray for Crew as he is disappointed that he can't play football right now, and for him to have a speedy recovery.

**Ted VandenBrink** is at Zeeland Hospital for treatment of a serious infection. We give thanks that his condition is improving and pray that he may be able to return home soon.

Continue to pray for those battling cancer:
