Terry Boerman met with the doctor this past Friday to go over his recent CT Scan. Doctor confirmed that the current medication is effective in keeping the cancer at bay. We thank God for his mercy that we’ve experienced the past six years!

Cheryl Kroll underwent an ileal conduit procedure on Thursday, September 25. She remains at the hospital due to some complications she experienced this past week. She is presently on a ventilator, but is alert and stable. Please pray that the swelling goes down in her throat so it can be removed.

Earl Mokma’s blood test numbers this past week show his counts are still good. We give thanks that Earl was able to complete this full round of chemo. His next round of treatment will start on October 13. We continue to pray for Earl & Judy as his body has a rest from treatment.

We pray for the North Street Members who are prayerfully considering participating in the upcoming *April 2026 Guatemala mission trip*. May the Lord move the hearts of those who are supposed to be on the team and provide the funds for the building materials as well as personal expenses the team will incur. May God be glorified through this trip.

Continue to pray for those facing an on-going recovery/chronic illness:

Joann Kiger
Tim Meekhof
Kristin Sterk
