Local: 879.0057 &Toll Free: 1.800.401.6640

Leadership Changes: We pray for our church as we enter our regular season of leadership change as Council nomination ballots have been distributed. We pray for all North Street members as they prayerfully consider which godly men to nominate to fill the open Elder and Deacon positions. We give thanks for all those who have faithfully served this past year and pray for those who will be nominated, as they consider accepting a call into those positions. May God go before all these decisions, as the next set of leaders for North Street are selected.

Ron Lucas will begin radiation treatments on Monday, February 16. Please continue your prayers for these treatments to be effective, giving thanks for the Lord’s presence and for the provisions Ron & Sue have seen.

Earl Mokma’s biopsy results show that his leukemia has increased significantly. Due to the fact that there are not alternative chemo options for his form of leukemia, and since he is not a candidate for stem cell replacement, Earl plans to meet with doctors to consider the possibility of clinical trial treatments. We continue to pray for Earl & Judy and their family.

Lisa Poortvliet’s dad was placed on Hospice care this past week. We pray for *Lisa & Joel* and their entire family, that her dad will know the Lord’s presence and peace in the days ahead.

Ron Vos continues to be under the care of Hospice. We pray that he will continue feeling good and will know the Lord’s presence and peace in the days ahead.

Continue to pray for those battling cancer:

FOCUS ON MISSIONS

Crossroads Prison Ministries connects people in prisons with mentors from churches to develop Christ-centered relationships as they study God’s Word together. Some of our church members are involved with this ministry. More information is available at www.cpministries.org.

Dr. Mike Johnson from Ascending Leaders (a mission cause North Street supports), is traveling February 15-26, to a country closed to Christianity in order to train two large groups of pastors and church leaders. He will also provide oversight and dream with ministry partners about what God may do in discipleship in the coming years. Please join in praying for his safety and health during his travels, that the government does not stop him from entering the country, acceptance and impact among the pastors being taught through translators, and for a strong outpouring of the Holy Spirit upon everyone during this time so that he can fulfill the mission he set out for.
