FOCUS ON MISSIONS

Rev. Fikret & Darlene Bocek work for **Global Church Ministries** on church planting, discipleship, Bible and book distribution, and evangelism in their home country of Turkey. More information is available at www.globalchurchministries.us.

Dr. Mike Johnson from Ascending Leaders (a mission cause North Street supports), is traveling February 15-26, to a country closed to Christianity in order to train two large groups of pastors and church leaders. He will also provide oversight and dream with ministry partners about what God may do in discipleship in the coming years. Please join in praying for his safety and health during his travels, that the government does not stop him from entering the country, acceptance and impact among the pastors being taught through translators, and for a strong outpouring of the Holy Spirit upon everyone during this time so that he can fulfill the mission he set out for.
